

FARM AND LANDOWNER WORKSHOP THURSDAY JULY 19TH 5:30-7:30 P.M.

DINNER PROVIDED!

Please RSVP—Space is Limited

RSVP to Allendale County Alive: 803-584-3600

Come learn about USDA programs available to enhance your land, start an agricultural business, and conservation planning.

An attorney with the Center for Heirs' Property Preservation will provide an in-depth review of the law relating to estate planning, Wills, and address the challenges, myths, limitations and dangers associated with heirs' property ownership. Attorney will also speak on ownership and title issues that can affect whether someone qualifies for free home repair and/or rehab.

Workshop will cover:

- ❖ Eligibility
- ❖ Funding available
- ❖ Projects supported: reseeding, seasonal high tunnels, irrigation, fencing, livestock systems, and more!
- ❖ Application Process and Implementation
- ❖ Rural Economic Development Challenges & Opportunities
